

# Modular Conveyor Systems

*It's not just easy...It's a Snap!*

*Patent Pending*

**T**he Modular Conveyor System is a truly revolutionary design concept.

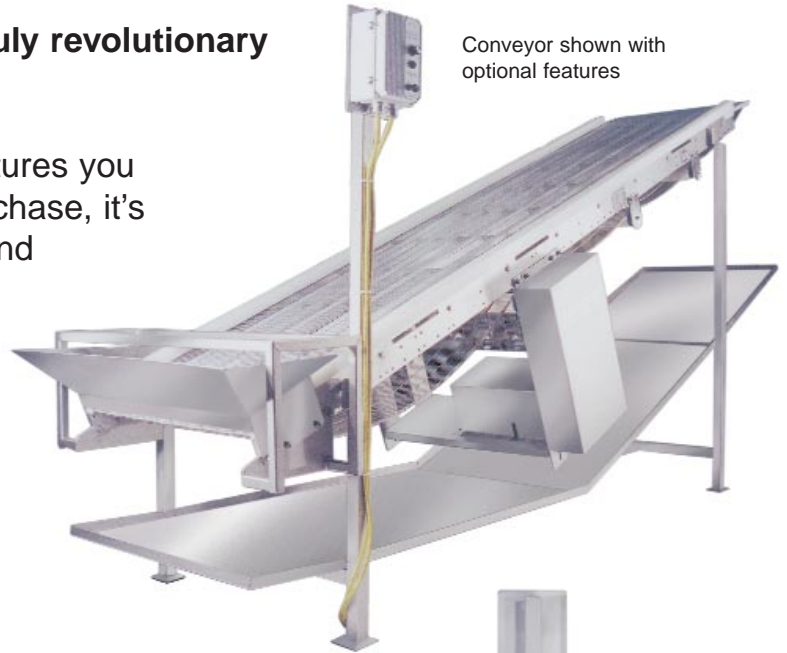

Snap Lock Modular Conveyors boast the features you need at the price you want. It's not just a purchase, it's an investment. You can customize features and options, including drive location (center or end), motor type (electric or hydraulic), and belting styles and types.

## *Save Time:*

- Food grade plastic snaps into place without the use of tools.
- Easy assembly and disassembly of side rails, wear bar, nose bar, and shaft mounts.
- Numerous belting options, including plastic modular, wire and ply.
- USDA / FDA

## *Save Expenses:*

- Change and reuse components as needed.
- Reduce equipment bone yards.
- Receive modules by UPS.
- Stock standard components at your facility for assembly of your next project.
